R.O.O.C.'S WORKS OF ART

The Roscommon County Community Foundation (RCCF), in addition to providing grants and scholarships, works to partner non-profit organizations in a collaborative effort to improve services and programs in the communities it serves. The RCCF recently facilitated a partnership with the Pen and Palette Club of Roscommon and Roscommon, Ogemaw, Oscoda and Crawford, Inc., and helped to deliver the gift of art to ROOC's cafeteria. ROOC received a grant from the RCCF to purchase ADA-

compliant tables and chairs for its cafeteria and ROOC Executive Director Cherie Johnson, in her thank you letter, said that she would not be able to purchase artwork as planned due to the increase in the cost of the tables and chairs. The RCCF contacted the Pen and Palette Club to see if it would consider lending works of art on a short-term basis and the members not only agreed to rotate pieces every six months, they donated seven works of art for permanent display. Johnson noted that some of the clients have moved from their regular lunchtime spots to a table near the works of art they enjoy most. For information on how to donate the gift of art, contact the RCCF at 275-3112 or info@MyRCCF.org. Pictured with RCCF President and CEO Mary T. Fry (right) are members of the Pen and Palette Club of Roscommon (left to right) Nancy Michelson, Teresa Dennings, Joan Wilkins and Mary Louise Hughes. (Courtesy photo)

Dr. Greig Welcomes Patients In Beaverton

Family Doctor Danny Greig, M.D. welcomes patients of all ages at MidMichigan Medical Offices – Beaverton. “My practice style is one of shared decision making. I provide education and guide my patients through decisions, rather than giving them a directive.”
